

St. Philomena's Christmas Concert

December 12, 2020 - John Westervelt, CEO, Catholic Charities (L) and Msgr Robert Fuhrman, Pastor of St. Philomena's & Board Chair of Catholic Charities (R) congratulate Chris Pinnella who performed an inspiring Christmas Concert on Sat. December 12 at the church. Approximately 100 people attended the event, masked and socially distanced, which was a joint fundraiser between St. Philomena's & Catholic Charities raising almost \$16,000.

Many thanks to our sponsors, noted below, who helped make it possible.

A photograph of a church altar. In the center, a large golden crucifix is mounted on the wall. Below it, a sign on an easel is decorated with a festive border of holly leaves, red berries, and snowflakes. The sign lists sponsors for a Christmas concert. The altar itself is decorated with gold candlesticks, white candles, and red flowers. The background is a simple, light-colored wall.
